### INVITATION TO SPEAKERS

If you are interested in speaking at our conference, please fill out the attached speaker application form and return it by e-mail to [deborahstarkey@aon.at](mailto:deborahstarkey@aon.at).

At our conference there will be five strands of five parallel presentations each. One strand will be organised by our sponsor, OUP, and another by our host, the English Department of the University of Vienna. The remaining three strands will be organised by TEA; thus the total number of TEA-organized presentations will be fifteen.

Please note the following:

1. Speaker application forms must be filled out completely, including presentation summary and speaker bio blurb.
2. Speaker application forms must be received by no later than 31 October 2013.
3. We regret that incomplete or late applications cannot be accepted.
4. All speakers are asked to provide their own laptop computers and external speakers if these are necessary for their presentations.
5. The conference committee will announce its selection of the final fifteen TEA-organised workshops on 2 December 2013. The decision of the committee will represent our best choice of a wide spread of workshops across the tracks.
6. The conference fee will be waived for speakers who are paid-up TEA members. For non-TEA members a fee of €40 will be charged, which includes full conference participation. If you wish to join TEA and present for free, please make sure that your TEA membership is paid up by **31 October 2013**.

We look forward to receiving your Speaker application form!
